

Veterinary Feed Directive (VFD) Preparedness Checklist for Feed Mills

The implementation of Guidance for Industry 209/213 will require **increased communication among producers, veterinarians and feed mills**. Please reach out to those who are involved with your business to ensure they are prepared to help you with the implementation of these requirements.

FULL VALUE BEEF™

	YES	NO
1. Do you know all of the required information to be included on a valid VFD?	<input type="checkbox"/>	<input type="checkbox"/>
2. Do you have a plan in place to address invalid VFDs?	<input type="checkbox"/>	<input type="checkbox"/>
3. Do you know which medications used in your feed mill will require a VFD or remain over the counter (OTC) come January 1, 2017?	<input type="checkbox"/>	<input type="checkbox"/>
4. Do you know which approved OTC/VFD medication combinations are used in your feed mill?	<input type="checkbox"/>	<input type="checkbox"/>
5. Have you identified a location to store copies of all VFDs that are sent to your feed mill to be fulfilled?	<input type="checkbox"/>	<input type="checkbox"/>
6. Do you have a plan in place to identify the quantity of feed needed to fulfill the VFD?	<input type="checkbox"/>	<input type="checkbox"/>
7. Do you manufacture your own feed, manufacture feed for other clients, floor stock VFD medications or sell VFD medications (bagged Type C feed or Type A/B VFD medications)?	<input type="checkbox"/>	<input type="checkbox"/>
8. If yes to Question 7, have you submitted an Intent to Distribute VFD feeds form to the FDA so you may sell feeds which require a VFD?	<input type="checkbox"/>	<input type="checkbox"/>
9. If yes to Question 7, do you have an Acknowledgment of Distribution form on file for all feed mill locations with all distributors you purchase medications from that will require a VFD?	<input type="checkbox"/>	<input type="checkbox"/>
10. If yes to question 7, do you have a Medicated Feed Mill License (MFML) to manufacture Type A Category II premixes requiring a VFD?	<input type="checkbox"/>	<input type="checkbox"/>
11. If no to Question 10, do you have a process in place to identify which medications are appropriate for inventory in your feed mill?	<input type="checkbox"/>	<input type="checkbox"/>
12. Have you identified a location to store records of VFD manufacturing for one year in accordance with 21 CFR part 225?	<input type="checkbox"/>	<input type="checkbox"/>
13. Do you have a plan in place to update your Bluebird labels?	<input type="checkbox"/>	<input type="checkbox"/>
14. Do you plan to include a transition label on your Type B/C medications?	<input type="checkbox"/>	<input type="checkbox"/>
15. Do you know how you will handle current inventory of Type A/B/C medications on January 1, 2017?	<input type="checkbox"/>	<input type="checkbox"/>
