

Calf care: Daily walk-throughs

By *Ellan Dufour, Dairy Research Nutritionist, Hubbard Feeds*

When performing daily walk-throughs with your calves there are four things to consider: feed, water, calf health and bedding. Providing these basic needs for young calves can go a long way in promoting health, efficient growth and setting them up for future success.

Watch as Hubbard Feeds Dairy Nutritionist Dr. Angie Manthey explains the basics of calf care and her daily walk-through recommendations: <https://youtu.be/lo8eufLhh4I>
