WARNING: This product, which contains added copper, should not be fed to sheep or related species that have a low tolerance to copper.

This product has been formulated specifically for horses and is not intended for other species.

Caution: Follow label directions. The addition to feed of higher levels of this premix containing added selenium is not permitted.

FEEDING DIRECTIONS:

Feed Summit Active Pellet to growing, breeding and working performance horses for maintenance. Follow the suggested feeding program below. A constant supply of clean, fresh water is necessary for optimum results.

Animal Class	Summit Active	Forage
	Lbs/100 lbs of body weight	
Young Foal, Yearlings, Lactating Mares	1.0	1.0
Performance Horses	1.25	1.0
Maintenance/Pleasure Horses	0.75	1.25

*These amounts are suggestions and may be adjusted according to forage quality, body condition and environment. Forage should be of good quality hay/pasture.

Hubbard does not use "Restricted-use Proteins" in their products and is in compliance with FDA and state requirements regarding the use, handling and storage of "Restricted-use Protein" products.
