Calcium, max	1.4	%	*Not recognized as an essential dietary nutrient		

INGREDIENTS

Soybean hulls, oats, sunflower meal, molasses products, dehydrated alfalfa meal, soybean meal, wheat middlings, vegetable oil, beet pulp, wheat, heat processed soybeans, rice bran, corn, milled flaxseed, steam rolled oats, calcium carbonate, calcium phosphate, salt, dried whey solubles, linseed meal, L-lysine, glucosamine hydrochloride, methylsulfonylmethane, zinc proteinate, potassium chloride, iron oxide, vitamin E supplement, corn distillers dried grains with solubles, sodium carboxymethylcellulose, manganese proteinate, ascorbic acid, chondroitin sulfate, sodium sulfate, potassium sulfite, propylene glycol, copper proteinate, Saccharomyces cerevisiae yeast culture, hydrolyzed yeast, brewers dried yeast, rice hulls, natural flavor, artificial flavor, magnesium sulfate, potassium sulfate, iron proteinate, propionic acid (a preservative), sorbic acid (a preservative), acetic acid (a preservative), benzoic acid (a preservative), selenium yeast, choline chloride, niacin supplement, calcium pantothenate, mineral oil, thiamine mononitrate, menadione sodium bisulfite complex (source of vitamin K activity), riboflavin supplement, pyridoxine hydrochloride, vitamin A supplement, cobalt proteinate, vitamin D-3 supplement, vitamin B-12 supplement, folic acid, ethylenediamine dihydroiodide, biotin, sodium molybdate.

WARNING: This product, which contains added copper, should not be fed to sheep or related species that have a low tolerance to copper.

This product has been formulated specifically for horses and is not intended for other species.

Caution: Follow label directions. Feeding this feed containing added selenium at levels higher than recommended is not permitted.

FEEDING DIRECTIONS:

Feed Cool Command Multi-Form Senior Texturized according to the following chart along with good quality hay (1.0 – 2 lbs/100 lbs of body weight), free choice mineral and fresh, clean water. This is an ideal ration for horses that cannot eat hays/pastures due to poor teeth, age or other health related problems such as horses affected with a dust sensitive condition, such as heaves.

Activity Level	Amount to Feed/Per Day (1000 lb Horse)
Maintenance	5.0 – 7.5 lbs
Performance Light	6.0 – 8.0 lbs
Performance Moderate	7.0 – 9.0 lbs
Performance Heavy	8.0 – 10.0 lbs
Complete Feed – no hay option	14.0 – 16.0 lbs

*Please note: These amounts are suggestions and may be adjusted according to forage quality, body condition and environment.

Hubbard does not use "Restricted-use Proteins" in their products and is in compliance with FDA and state requirements regarding the use, handling and storage of "Restricted-use Protein" products.
