INGREDIENTS

Grain products, roughage products, plant protein products, molasses products, forage products, processed grain by-products, vegetable oil, calcium carbonate, calcium phosphate, salt, L-lysine, glucosamine hydrochloride, methylsulfonylmethane, zinc proteinate, potassium chloride, vitamin E supplement, sodium carboxymethylcellulose, manganese proteinate, ascorbic acid, chondroitin sulfate, sodium sulfate, potassium sulfite, propylene glycol, copper proteinate, hydrolyzed yeast, natural flavor, artificial flavor, iron proteinate, propionic acid (a preservative), sorbic acid (a preservative), acetic acid (a preservative), benzoic acid (a preservative), selenium yeast, ferrous sulfate, calcium pantothenate, niacin supplement, mineral oil, zinc oxide, thiamine mononitrate, manganese sulfate, cobalt proteinate, riboflavin supplement, menadione nicotinamide bisulfite (source of vitamin K activity), vitamin A supplement, pyridoxine hydrochloride, copper sulfate, manganous oxide, vitamin B-12 supplement, folic acid, vitamin D-3 supplement, ethylenediamine dihydriodide, biotin, menadione sodium bisulfite complex (source of vitamin K activity).

WARNING: This product, which contains added copper, should not be fed to sheep or related species that have a low tolerance to copper.

This product has been formulated specifically for horses and is not intended for other species.

Caution: Follow label directions. Feeding this feed containing added selenium at levels higher than recommended is not permitted.

FEEDING DIRECTIONS:

Feed Cool Command Multi-Form Senior Texturized to horses that cannot eat hays/pastures due to poor teeth, age, or other health related problems. Cool Command Multi-Form Senior Texturized is also an ideal ration for horses affected with a dust sensitive condition, such as heaves.

Feeding with forage: Offer the average adult horse 7-10 pounds of Cool Command Multi-Form Senior Texturized along with the equivalent amount of forage.

Feeding as a sole ration: Feed the average adult horse 17-20 pounds of Cool Command Multi-Form Senior Texturized per head per day (1.7 to 2% body weight). Offer hay to help relieve boredom. Adjust amounts depending upon body condition. A constant supply of clean, fresh water is necessary for optimum results.

Hubbard does not use "Restricted-use Proteins" in their products and is in compliance with FDA and state requirements regarding the use, handling and storage of "Restricted-use Protein" products.
